

Country Reports 2022

Country Report Latvia

Strong Kidneys activities to raise awareness about kidney health in Latvia, organized by the Latvian Association of Nephrology:

- We announced the Strong Kidneys campaign in Latvian Association meeting on 28.04.2022. I managed to print out posters and distribute them among participant for displaying in their practices. We provided electronic version of the poster as well.
- The information material is freely available via our website too.

Country Report Latvia

Strong Kidneys activities to raise awareness about kidney health in Latvia, organized by the Latvian Association of Nephrology:

- We organized a Strong Kidneys outdoor walk along Baltic Sea. As you see it was really windy and there was 7°C outside but we managed to walk 7 km and make pictures with our Strong Kidneys T-shirts!
